
MEMORANDUM

TO: Owners and Guests
FROM: Board of Directors
SUBJECT: Flea Market
DATE: March 9, 2016

Our thanks to all of the volunteers who helped with this year's Flea Market and Bake Sale. The total collected was \$989.46, which will be divided equally between the Beautification, Campground and Pool Funds. The sausage and hot dog sale proceeds of \$287.00 will go to Activities.

In past years, we accepted donations for the sale throughout the year in order for the sale to be held each spring. As donations were made, items were sorted to determine if they were usable and then organized and stored. Several days of work then had to be completed to prepare and carry out the sale.

After assessing the issues in preparing for this year's sale, the decision has been made that **donations will no longer be accepted**, and the Flea Market will be permanently discontinued. Please do not take any items to the maintenance area. Plans are being considered for scheduling unit owner yard sales if there is sufficient interest by owners to conduct their own sale.

In the future, please save all items for your own yard sale or take donations to one of the local agencies that receive donations. Three of our local shops include:
